ORO

SUISUN VALLEY AVA

OUR PROCESS

Let us introduce you to Oro. Meaning “gold” in Italian, Oro is a showcase in luxury wine, created with a blend of our best vineyard lots of Cabernet Sauvignon, and Petite Sirah. Extended fermentation of 28 months in French barrels, and bottle aged for two years, this wine gives a whole new meaning to “great things come to those who wait!”

With only 748 bottles bottled, this limited- production wine is ready to drink now but will cellar well for the next 5 to 10 years.

TASTING NOTES

Oro is a rich, full-bodied wine with an opulent garnet color and mouth-watering aromas of black currant, coffee, and jammed berries. The flavors of blackberry, cherry, and dark chocolate coat the mouth and finish with black tea and medium tannins.

Oro is positively liquid gold, and we encourage you to enjoy this sumptuous bottle with family and friends, creating memories and traditions that stand the test of time...just...like...Oro.
