

OUR PROCESS

Not all red wine drinkers love dry red wine! Many guests have been looking for a red wine with a smooth, slightly sweet finish. Because we pride ourselves on being "Everybody's Winery," Rick created Miscela. The wine is a montage of different grapes each vintage year, but the flavor profile remains consistent. This wine has become a popular choice for those looking for something a little less traditional.

We released the first vintage of Miscela in 2004, a medium-bodied red wine with a lovely smooth finish. It's been a favorite ever since!

TASTING NOTES

A fruity red blend, Miscela is a crowd-pleaser. Cherry, black plum, vanilla, and mocha flavors dominate this rich wine which is very well balanced. Miscela can be served chilled or at room temperature, depending on your preferences.

It's a great wine to pair with BBQ ribs or chicken wings, hamburgers, steak, lamb, and pizza. If you're feeling adventurous, try Miscela with chocolate cake.
