

2021
PETIT VERDOT
SUISUN VALLEY AVA

OUR PROCESS

Petit Verdot is a full-bodied red wine originating from Bordeaux, located in the South of France. It is used as a blending grape in red Bordeaux blends, boasting abundant color, tannins, and delightful floral aromas of violet. Due to its bold nature, Petit Verdot is typically added in less than 10% of most wine blends and is seldom produced as a single-varietal wine. However, our exceptional Suisun Valley climate has elevated Petit Verdot to rival the best.

Suisun Valley provides an ideal environment for cultivating Petit Verdot. With its long, warm growing season and consistent temperatures, our region offers perfect conditions for the grapes to mature evenly. This gradual ripening ensures consistent sugar levels, resulting in luscious, flavorful grape bunches concentrated with rich, complex flavors.

TASTING NOTES

The 2021 Lanza Petit Verdot is a wine that captivates with its abundant dark fruit aromas. This wine covers the palate with a rich, dense mouthfeel overflowing with luscious boysenberry, marionberry, and black cherry flavors reminiscent of your favorite berry pie. The smooth, refined tannins leave a lasting impression, making this wine an absolute delight for your senses.

Gather around the table with your nearest and dearest, and pair this with your favorite holiday dish to elevate the joy of the festive season.
