**GRENACHE**  
WINE MAKERS SERIES NO.1

## OUR PROCESS

This Grenache comes from the Redgale Vineyard, which is named for its unique red clay soil and gale-force winds that define its growing conditions. Situated on the mountainside, these vines are unable to reach the water table, causing stress and leading to a lower yield of fruit that is rich in flavor and exceptionally high in quality.

## TASTING NOTES

This Grenache showcases a distinctive aroma profile, diverging from the typical expectations of this Rhone varietal. It presents bold red fruit notes, particularly strawberry and raspberry, accompanied by subtle hints of pepper and tobacco.

On the palate, this light-bodied wine delivers a rich tapestry of flavors, with prominent notes of cherry, cinnamon, and licorice that contribute to a luscious mouthfeel. The creamy texture is balanced by medium acidity and soft tannins, resulting in a well-rounded finish.

With its gentle tannins and fruit-forward character, this wine is the perfect complement to seafood like salmon, swordfish, and Ahi Tuna. It's also a delightful addition to your Thanksgiving feast, enhancing your favorite holiday dishes.
