

2022  
**MOURVÈDRE**  
WINE MAKERS SERIES NO.1

## OUR PROCESS

Introducing our 2022 Mourvèdre, a remarkable gem in our exclusive Winemakers Series. This is limited-production wine, with fewer than 250 cases bottled.

Harvested from our LMP Vineyard, nestled on the northwest side of our Suisun Valley AVA, this Mourvèdre flourishes in a terroir that mirrors the famed Rhône region of France. The vineyard's warm, windswept climate provides the ideal conditions for ripening, allowing the grapes to develop nuanced flavors with balanced elegance.

This wine is a rare expression of Mourvèdre that highlights the distinctive character of our Suisun Valley AVA while celebrating the artistry of our Winemakers Series.

## TASTING NOTES

The 2022 vintage opens with aromas of cranberry and cherry followed by subtle hints of orange zest and earthy spice. On the palate, light body and integrated tannins frame delicate notes of leather, lavender, and a slight herbaceousness, leading to a graceful, lingering finish.

Pair this Mourvèdre with grilled lamb chops, rosemary-infused roasted chicken, or wild mushroom risotto. Its bright acidity and delicate tannins also complement dishes with Mediterranean spices, making it a versatile choice for any table.
