2023 SPARKLING ROSETTA

SUISUN VALLEY AVA

OUR PROCESS

These two unique red grape varietals harmonize beautifully to produce an exceptional rosé-style wine. The Syrah provides structure and complexity, while the Sangiovese brings finesse and elegance, resulting in a lively and aromatic rosé. We harvest these grapes early and take them directly to the press with minimal maceration time to achieve the ideal color and flavor. The juice then undergoes a slow, cold fermentation in stainless steel tanks. Using the Charmet Method this wine becomes one that sparkles.

TASTING NOTES

Indulge in the exquisite flavors of this Syrah-based sparkling rosé. Its classic notes of red fruit and citrus is complemented by the delightful aromas of cherry and bright blood orange. The palate comes alive with the refreshing essence of ripe berries and melon finishing in a crisp brut style. Cheers to a sparkling experience like no other!
