2024 GRENACHE BLANC

WINEMAKER SERIES NO.2

OUR PROCESS

Celebrating the second release from our Winemakers Series, we honor Richard 'Chick' Lanza with this Grenache Blanc. As the 'Founding Father' of Suisun Valley's AVA, Chick's foresight has had a significant impact on the region, helping to establish Suisun Valley as a world-class producer of wine grapes.

This extraordinary wine is made from 100% Grenache Blanc, a white grape variety that is related to the well-known red varietal Grenache (or Grenache Noir). While Grenache Blanc is primarily found in Rhône blends and Northeast Spain, Suisun Valley offers an ideal environment for this full-bodied white wine. Despite not undergoing oak aging and being fermented solely in stainless steel, this Grenache Blanc possesses a remarkable structure, showcasing a bright yet bold profile.

TASTING NOTES

This Grenache Blanc delivers a vibrant and refreshing experience, perfect for those seeking balance and complexity in a wine. On the nose, it opens with bright aromas of zesty citrus and ripe stone fruit, reminiscent of White Peach and Meyer Lemon. These lively notes are complemented by subtle hints of white flowers and a touch of minerality.

The palate is medium-bodied, offering a smooth, harmonious mouthfeel. The citrus and stone fruit flavors carry through with a lively freshness, while a gentle, balanced acidity provides lift and structure. The wine's well-rounded character makes it versatile, pairing effortlessly with a variety of dishes, from seafood to roasted vegetables or light cheeses.
